WORK EXPERIENCE

- **UI&UX Developer Intern** [SIT Eduverse Pvt Ltd] may 2025- pursuing
 - Collaborate with developers to implement design concepts into functional web and mobile applications.
 - Work with HTML, CSS, JavaScript, Wordpress and other front-end technologies to build responsive designs.
 - Help ensure designs are consistent across multiple devices and platforms.

PROJECTS

- **Accord School website** [SIT Eduverse Pvt Ltd] May 2025 - continue
 - **Create a user-friendly, responsive website** that provides easy access to key school information, resources, and updates for students, parents, and educators.
 - Enhance communication and engagement within the school community through interactive features like event calendars, online forms, and multimedia content.
- **Google Pay App** [Figma Project]
 - Designed a fully functional prototype of the Google Pay mobile app using Figma, focusing on creating an intuitive, user-friendly interface.
 - Applied best practices in UI/UX design to ensure seamless navigation, smooth transaction flow, and visually appealing components for an enhanced user experience.
 - Conducted user flow analysis, designed wireframes, and developed high-fidelity prototypes that align with Google Pay's core functionality, optimizing for ease of use and responsiveness.

CERTIFICATIONS

- **UI&UX Developer** [Tech Mahindra SMART Academy] May 2025 - pursuing
 - **Learned UI/UX design fundamentals** including design principles, wireframing, prototyping, and responsive design for web and mobile platforms using tools like Figma, Adobe XD.
 - Developed hands-on skills in front-end development (HTML, CSS, JavaScript) to implement designs and ensure seamless user experiences across devices.
- **Typing Certificate** March 2024
 - Successfully completed a government-approved typing exam with proficiency in typing at 30 words per minute (WPM) with above 90 % accuracy.

EXTRA-CURRICULAR ACHIEVEMENTS

- Participated in the Unnati Program, a prestigious initiative aimed at fostering **leadership, innovation, and skill development**. Gained valuable insights into personal development, team collaboration, and problem-solving techniques.
- Secured a **1st position** in the Type Technical Exam, demonstrating exceptional proficiency in technical concepts, and time management skills.

TECHNICAL SKILLS

- **Designing Tools:** Photoshop, Illustrator, Figma, Adobe XD.
- **Languages:** Html&CSS, Javascript, Python
- **Framework&librabires:** Django, Wordpress, Bootstrap, ReactJS
- **Tools:** Github
